

The **SURE-Pak® System** is a **SAFE, UNIVERSAL, REUSABLE & ECONOMICAL** closed-loop bulk material handling system. The heavy-duty, triple-wall corrugated cardboard sleeve locks securely inside the durable, twin-sheet thermoformed plastic pallet and cover, eliminating the need for banding or stretch wrapping. Its exceptional strength-to-weight ratio allows this 60-pound container to stack thousands of pounds while its light weight provides easy handling and worker safety.

UNIVERSAL
REUSABLE
ECONOMICAL

PRODUCT BENEFITS

- Made from HDPE (100% recyclable)
- Lightweight for better ergonomics and safety
- Easily assembled by one person
- 4-way entry for efficient handling
- Drop panel doors for easy loading and unloading
- Stackable (conserves space and reduces shipping costs)
- Holds up to 2,000 lbs. each
- Stacks 4 units high, bottom capable of withstanding 7,500 lbs
- Sleeves available in heavy-duty corrugated or plastic
- Large Leg Footprint
- Weather Resistant
- Easy to clean
- Cost effective
- We stock all components
- Private labeling available
